record 16 FTA and 16 FBO automatic folding doors

Elegant-silent-reliable

Where space is at a premium, record's folding doors allow quick and easy access. Ideally suited to buildings with narrow entrances, they are the perfect solution for restaurants, hotels, business premises, hospitals and homes for the elderly, as well as offices and private buildings. The folding doors use record's proven system 16 drive and control units, and have all the features and functions of **record's 16 STA** standard operator. The folding door can be face fixed or mounted in line.

record 16 FBO folding door

For safe and reliable opening in emergencies

The **16 FBO** folding door was specially developed for use in escape and rescue routes. In normal use, the door panels fold inwards. In emergencies, access to escape and rescue routes is provided by light pressure on the door panel. This frees the track from its mountings, allowing the door panel and track to open outwards.

Technical Data

16 FTA/16 FBO

Clear opening width A	800 - 2'000 mm
Clear height of passage G	2'500 mm
Recommended maximum height	2'500 mm
Max. weight of door leaves	4 x 37,5 kg, max. 150 kg
weight in total	4 x 37,5 kg, max. 150 kg
Operator dimensions, incl. casing	
height	180 mm
depth	240 mm
Door movements (programmable)	
Opening	max. 0.7m/1.0 s
Closing	max. 0.5m/1.0 s
Electrical connection data	
mains voltage	230 V, 50 / 60 Hz
rated power	0,6 A
rated capacity	100 W
rated capacity standby mode	14 W
fuse protection	min. 2.5 A slow

Always safe

Wall mounting

Passage mounting
